

What is Love and Logic® all about?

Since 1977, the Love and Logic Institute has been dedicated to making parenting and teaching fun and rewarding, instead of stressful and chaotic. We provide practical tools and techniques that help adults achieve respectful, healthy relationships with their children and help them prepare their kids for the real world. All of our work is based on a psychologically sound parenting and teaching philosophy called Love and Logic.

What will I learn?

- Put an end to arguing, back talk and begging.
- Teach, responsibility without losing their love.
- Set limits without waging war.
- Avoiding power struggles.
- Guide kids to own and solve their problems..
- Teach kids to complete chores without reminders and without pay.

Why Does It Work?

- Users humor, hope, and empathy to build up the adult-child relationship
- Emphasizes respect and dignity both for children and adults
- Provides real limits in a loving way
- Teaches consequences and

This is a FREE twelve hour certificate class. All classes in the series must be completed in order to receive credit and certificate.
